

**Minutes of Old Florida Heritage Highway Corridor Management Council–
April 21, 2010**

Herlong Mansion Long Hall Meeting Room, Micanopy, FL

Present: Debrah Miller [FDOT District 2 scenic byway coordinator], Kathleen Pagan [County GM], Mike Palozzi [PBS&J, FDOT consultant], , Andi Christman[DEP Paynes Prairie]; David Carr [Chair & Micanopy Business]; Ed Geers [Vice Chair, Micanopy Historical Society]; Mike Byerly [BoCC]
Evinston Residents- Veronica Whitebread; Jo Lynn Walkup; Lacinda Richardson; Scott Richardson; Alicia Wood; MarhAnn Luregood Reid [spelling?]

Meeting was called to Order at 2:35pm.; Approval of Agenda and Minutes of Previous Meeting

Scenic byways organization- Mike Palozzi presented 200 copies of the member recruitment brochure. He also mentioned the excel spreadsheet of possible business supporters.

Bylaws- Mike Palozzi mentioned some hurdles are cost and finalizing the text. Ed Geers made many comments concerning the text, including that only regular members should be noted.

Mrs. Whitebread spoke concerning that her preference is the County staff and Commissioners should not be on the Board as this could be perceived as conflict of interest.

David Carr noted it is important to complete the bylaws as the membership drive may result in a major organizational change. He was advised by the County Attorney that Scott Krueger, Esq., may be knowledgeable about scenic byway concerns. Some present said they know Mr. Krueger.

Other Business- Kathleen Pagan circulated photos of the Micanopy Regulars on State Scenic Byways day and she thanked and congratulated Ed Geers on this program. She also stated the promo items were distributed as follows: Water bottles to Friends of Prairie volunteers at clean up March 27 and 2 for Micanopy Regulars; Wildflower seeds to Conservation Trust for Florida at Evinston Paint-Out; Lip Gloss to meeting participants and Prairie rangers; Frisbees and beach balls to the Micanopy AfterSchool Program.

5. Adjourn at 3:40pm. Staff directed to schedule next meeting May 19if possible.
